***EXAMINER'S AMENDMENT***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to an applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following changes have been made in a subject of the application to place the claims in a condition for allowance:

*Claims*

In claim 1:

- line 5, inserted --flat,-- before "sheet-like".
- line 7, deleted "the" at second occurrence.
- line 8, changed "width" and "a" to --widths-- and --the-- respectively.
- line 9, inserted --, folded-- before "configuration".

In claim 12:

- line 2, inserted --a step of -- before "introducing".
- line 3, inserted --flat, sheet-like, -- before "collapsed".

In claim 13:

- line 1, changed "having" to --comprising--.
- line 5, inserted --flat, -- before "sheet-like".

The above change was made claimed language clearer to place the application in better condition for allowance.

***REASONS FOR ALLOWANCE***

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-15 are allowed because none of the prior art references of record teaches an ink tank for an ink jet printer comprising a bag disposed in a casing, a spout provided in a central region of said front edge of the bag and located at the position of a front wall opening of the case, wherein widths (W) of the top and bottom walls of the

Art Unit: 2861

bag, when measured in a flat, sheet-like, folded configuration and in the direction of the front edge, is larger than the width of the casing, and the front wall opening is located near the bottom wall of the casing in the combination as claimed.

***CONCLUSION***

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
